## FULL PLANNING

Full Planning is for the couples who are not exactly sure where to start or what to move on to next. We will guide you and walk you through each and every step of the planning to ensure a smooth pace. If you need help finding the perfect venue or location, assistance keeping track of your budget, advise on which vendors to use, etc. Whatever your needs, Hearts & HoneyDo will be there from the very beginning!

# PARTIAL PLANNING

Partial Planning is for the couple that has already set things in motion, but still need guidance. We will follow up on already booked vendors and provide input where needed if vendors have not yet been selected or finalized. One of the perks of having a Planner is having peace of mind knowing that you are getting the best price for services rendered. We have developed close relationships with our network of vendors to ensure our clients get the best option to suit your style and budget.

# WEDDING MANAGEMENT

Wedding Management is perfect for the couple who already have the ball rolling when it comes to their Wedding Day planning. Everything from guest list, venue choice, overall theme/feel, vendor bookings, decor, etc.. has all been put in place but they need further assistance pulling it all together. Wedding Management starts 6-8 weeks prior to your wedding date.
